## Strategic Planning: A Preferred Future

Saturday, May 18, 2024  
Dr. Jim Estep

Where is your church heading in the next 3 years? What will it be like? More importantly, what does God want your church to be and do over the next few years? This seminar will focus on the process of strategic planning, designing your preferred future for your congregation. It will be an interactive practical exercise in developing a perpetual 3 year plan for your congregation, based on your vision, mission, and values (which we will also discuss). Participants will walk away with a new sense of direction and the start of a pathway to fulfill God's call for the church. Bring your leadership team and join us for a day that can really make a difference in the life of your congregation.

### DETAILS:

- \$25 per Person OR
- \$100 Leadership Team of 4 or more
- One day seminar
- 8:30am-2pm (Lunch Provided)
- Location: Lake James Christian Camp  
1880 W 275 N Angola, IN

→ This seminar is a great opportunity for your staff, eldership, or board of director teams to attend together.

→ Those attending without a team will be grouped with others without a team to learn the principles together and take and apply with your ministry or church.
