# Cancelled/Postponed 2020 School of Missions

Dear School of Missions Family,

Not since WWII has the Lake James School of Missions (SOM) forgone a great week of uplifting services, great fellowship, fun and friendship. It is always a blessing to hear how God is working throughout the world to have His kingdom advanced through His faithful servants.

This year the Standing Committee has decided to postpone the SOM for 2020 and resume again in 2021. J.D. Hite and the rest of the Program Committee had put a lot of effort into the summer program for 2020. That work will not be for naught as many of the speakers have already committed to be a part of the 2021 SOM.

This one-year pause we are taking will also give us an opportunity to shore up or funding. We have been getting by on tight finances the last several years. We understand that for many, these are uncertain times financially. While we hope you will consider giving to the School of Missions to help in this area, we understand if circumstances have changed since you made your pledges. The future of the School of Missions is bright and we thank you for your partnership.

As we look forward to July 25-31, 2021 we are praying that next summer we will meet again and the SOM will be better than ever!

To God be the Glory Always.

Paul Brunsman  
Chairman SOM Standing Committee

J.D. Hite  
Chairman SOM Program Committee
