

Annual ACW Flower Planting

Get out your gardening gloves and tools for a morning of beautifying of the camp grounds for camp! Thursday, May 27th from 9am-noon. We will continue to take donations of flower flats and hanging baskets that morning.

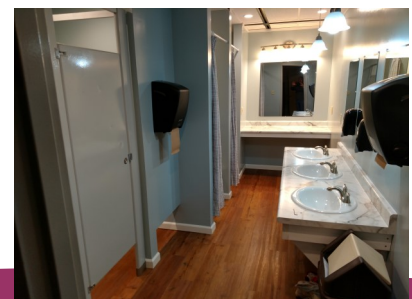

Summer Camp Registrations Are UP

Since summer camp registrations began March 1st, our camper registration numbers have been up year to date sometimes over 100%. Right now we have leveled out but are still tracking higher. In 2019 we had 538 campers signed up at this time. To date we have 544 campers registered.

This tells me campers are really wanting to be at camp and parents really want their children at camp. Please continue to pray as preparations are made by deans, staff and faculty for a great summer!

Girls Staff Bathroom Renovations Complete

This project was put on hold in March 2020 due to uncertainties surrounding the pandemic. Over the last year half of the funding for this project has been raised with the ACW committed to finish funding for the project in 2021. Renovations were completed just in time for the Ladies Retreat this past weekend! A huge thanks to Brad and many volunteers who helped to complete this project!
