I am a daughter of the Most High King who, like many of you, has to pause from time to time and straighten my crown. Despite my efforts and striving, I am far from 'Perfect'. It is difficult living in a broken, imperfect world and, quite frankly, I don't know how to make it without the grace of God and the help of brothers and sisters in Christ – especially sisters! We need each other. Sometimes we don't even realize that our crown has slipped until a sweet sister reaches up and straightens it for us. That's what we hope to do this weekend – press in to the love of God, worship, open up our hearts to hear from His Word, and receive His comfort, instruction, refreshment, encouragement, healing..... My prayer is that you will receive exactly what you have been longing for from the Lord.

Susie is married to Dennis Wood. Their love story began on the campus of GLBC in 1977. They have served together in full time ministry for 40 years working in youth/children's ministry, mission work in France, worship ministry and now Dennis is the pastor of Park Community Church in Bluffton. Susie leads worship there and tries very hard to fill the shoes of "pastor's wife". Their son, Aaron, his wife Ashley and 4 children

also live and work in ministry in Bluffton. Their daughter, Carissa and her husband Kip and their 3 children live, work and serve the Lord in Bluffton, too. They are so thankful to be able to serve the Lord and do life with their children and grandchildren in the same town. Susie was a vocal music major at Lincoln Christian College. Fun fact...to help support their mission work she was employed to sing American pop songs at Asian festivals in France! She is a vocal coach. Her vocal studio began in 1994. What a blessing to teach and encourage so many kids to use the musical gift God has given

Pounding for the Camp
**Bring along pounds of Flour and/
or Sugar to donate to the LJCC
Pantry**

Basket Auction

Baskets, baked goods and other items are comprised and donated by churches and individuals attending. The proceeds go to the 2021 ACW project, remodeling the Girl's Staff bathroom in Memorial Hall. It's been a fun addition to the retreat for several years now. Get together with your ladies and fill a cleverly themed basket to bring along.

Reminders

Be sure to bring your own Bible, bedding and personal items. A jacket is recommended if you are typically cold. Keep an eye on the weather. Registration includes 3 meals, housing and the program. Offering and basket monies help cover the entire cost and allow us to help with camp projects.
