

SUMMER CAMP REGISTRATION

STEP ONE:

Choose the camp session your child would like to attend. Camp sessions are based off of the grade the camper will be entering in the fall. We offer many different types of camps, our Main camps are the bigger sessions of camp. We also offer adventure camps; these are our Wilderness camps, Aquatics camps, and Fishing camps, they are much smaller than our main camp and spots are limited for them. Our Wilderness camps are very similar to a Scout camp. Aquatics is mixed in with our Main Camps and they spend more time on the lake in boats. Fishing campers spend most of their time on the water as well learning how to fish. Aquatics and Fishing camps fill up within the first couple days of camp registration being open. Please see our program calendar or website to view the full list of camp sessions with their registration costs.

STEP TWO:

Once you have chosen the session of camp your child is interested in, you will register for that session. **Go online by scanning the QR code below** with your smart phone camera to register. If this is your first time at camp, the parent or guardian of the camper will need to make an account through our online reservation platform. You will be asked to provide medical information, sign consent forms and provide emergency contact information. Please be sure to click all the way through the registration to save your camper's registration BEFORE exiting out of your browser. If you do not have access to the internet, **we do provide a paper registration**. Please answer all of the questions on the paper registration form and write neatly. The office will take the information on your paper registration and input into our system. **Both forms of registration MUST be SIGNED by a parent or legal guardian.**

STEP THREE:

Now that you have made your reservation for camp, we will need payment. If you are apart of one of our affiliated churches, they may provide you with a sponsorship code that will cover a portion of the camp tuition. We accept payments in the form of cash, credit or check. If you need financial assistance please contact the camp office to receive a copy of our Scholarship Application. This scholarship will cover up to \$200 of a camp session's tuition. Email the camp office: info@ljca.org, for the scholarship application.

STEP FOUR:

Whoohoo! You have registered your child for camp! Keep an eye out for an email confirmation that will give you information regarding check-in and check-out for your camp session and a list of what to pack for your camper. You will receive this email whether you registered online or on paper. We also have this information on our website. Go to www.ljca.org, go to the tab labeled "SUMMER CAMP," scroll down the drop down menu until you see "PARENT RESOURCES," click it, there you will find all of the information for check-in and check-out.

WE LOOK FORWARD TO SEEING YOU THIS SUMMER!
